Raising Attainment : Supported Study

Dear parent/carer,

As part of the school's Raising Attainment strategy, we have been providing support on an informal basis since August across various departments.

As highlighted in my letter to parents last week, please find attached a Supported Study timetable which has also been posted on S4-6 year group TEAMS pages.

I would ask that you work with the school in encouraging your son/daughter to attend these classes by discussing their importance and reminding them on the specific days the classes are scheduled. If a pupil has two or more subjects on the same afternoon then I advise them to prioritise subjects or attend alternate sessions.

The expectation is that the majority of pupils will make their own way home, or are picked up, from school after Supported Study as has been the case since the start of the session.

However, we will provide transport for pupils if there are any financial constraints impacting on a pupils' proposed attendance at Supported Study. Please contact your child's Pastoral Care teacher to notify them of this.

Pupils requiring transport must inform the school office at the end of the school day that they will be remaining in school and will require transport home. We cannot guarantee transport for pupils who do not inform the school office prior to attending Supported Study on that day.

Your continued support is appreciated.

Yours sincerely

Mr M Dewar
Head Teacher

Supported Study 2020/21

All Supported Study classes are in school unless highlighted in yellow
digital via TEAMS
