These are always highly enjoyable events and I wish to remind pupils and parents/carers that these are **school events** and as such the conduct of pupils attending must adhere to the highest expectations of the school.

In particular, there will be a **zero-tolerance policy** towards the consumption of alcohol. No pupil will be permitted entry to the school or Prom if they are suspected of consuming alcohol prior to arriving. Please note that although we will bus pupils to Prom we will not provide transport home.

In a change to recent years we have taken the decision to invite parents/carers to the Valedictory event and a small reception prior to Prom. This allows for "final" school photos to be taken and means that parents/carers are an integral part of the leaving process. In order to cater for numbers I would ask that you complete this very short Microsoft Form indicating whether you will be attending Valedictory:

I am extremely proud of S6, in particular their attitude and conduct throughout the past six years. I have been particularly proud of their input to the school this year and the example they have continued to set for the years below and would therefore urge all pupils to enjoy the remaining school events by following the guidance they have been given both in assembly and above.

Yours faithfully,

*Nicola Maynes*
